INSURANCE

PAYMENT PROTECTION INSURANCE

If the unexpected happens, like a serious illness, accident or redundancy, we can help you get cover for your loan repayments until you're back on your feet again.

MECHANICAL BREAKDOWN INSURANCE

Nothing is worse than a breakdown. Other than getting the bill to fix the problem. We can help you with Mechanical Breakdown insurance, and you can drive away worry-free.

GUARANTEED ASSET PROTECTION

If you have taken out a loan to buy a car, and it's been damaged in an accident beyond repair, you may find your insurance payout may not cover what's left to pay on your loan. Rather annoying. And avoidable too.

“

I was off work for about 6 months and during that time I got a bit off-track with a number of things including my Avanti car loan. When my account manager called me I couldn't believe how understanding he was. He helped me get my car back, worked out lower affordable weekly repayments, and now I feel confident about regaining control over my finances.
