PERSONAL LENDING

Quick tips

1. To access the portal, head to partner.avantifinance.co.nz.
2. You don't need a password, just access to the email address you use with Avanti Finance.
3. Logins last for 24 hours, so you should only need to access it via the code once per day.
4. If your email address changes, please contact our support team to ensure your details are updated.

Getting your secure code

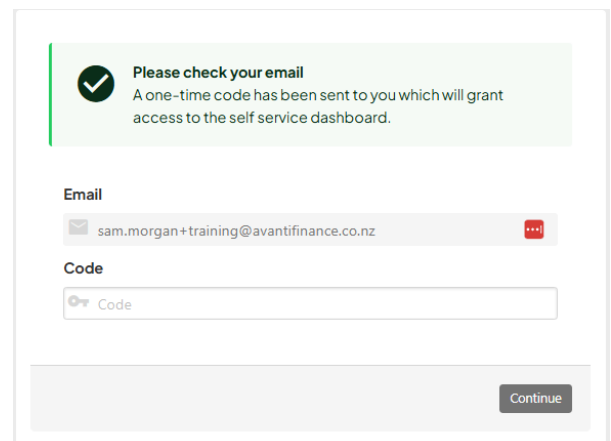

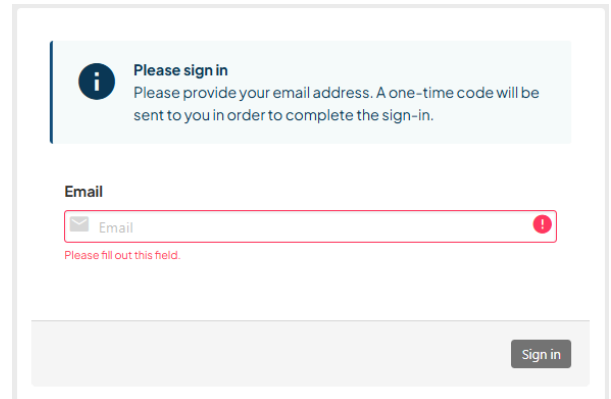

- > You don't need a password to log in. Instead, we use a secure 6-digit one-time code sent to your email.

At partner.avantifinance.co.nz, enter the email address you use with Avanti Finance.

After you click 'Sign in', we'll send a 6-digit code to your email.

- > Enter this 6-digit code where indicated on the login screen and click 'Continue'.

You'll now have access to the portal.

- > If you don't receive the email with the 6-digit code, please check that you entered your email address correctly, and that the email didn't go to your spam folder.

If you need to change your email address or have issues logging in, please contact our support team on **0800 003 111**.
