PLEASE READ

If you have a loan with us using a vehicle as security, we understand there may be times when you need to change the vehicle used as security.

How does a security swap work?

We'll need details of the proposed new vehicle, your existing vehicle, and the reason for the swap. Once we have your request, we'll review it and get in touch with you to let you know whether we can approve the requested swap. Note that security swaps are subject to lending and credit criteria.

Complete this form and email to customerservice@avantifinance.co.nz or post to Avanti Finance, PO Box 11917, Ellerslie, Auckland 1542
