LIVING EXPENSES

If the customer is in a relationship (but applying for the loan on their own) there will be a question asking if they share their expenses with their partner. If the answer is yes, their spouse/partner's gross annual income will be requested.

The customer will then need to complete any regular ongoing expenses which could include; rates, childcare and/or school fees, medical costs, child support, tithing/donations, or any other regular ongoing non-discretionary expense.

Applicant's Living expenses

We have automatically calculated estimates of your living expenses (for the categories listed below) based on information you have provided in this application.

- Bills & utilities
- Transport & vehicle costs
- Food & groceries
- Phone, internet & streaming services
- Insurance
- Clothing, shoes & personal care

If we require further clarification we may ask you to provide us with bank statements to support this.
